CONCEALMENT

IN A READING

You've taught yourself how to be strong, how to be a go-getter, and how to protect yourself. You've conquered obstacles because you know where you stand and hiding behind a mask can feel safe. When you conceal your true identity and don't let people fully know you, they can't hurt you. The glamorously painted faces look

very appealing and provide a sense of shelter. However, if you keep avoiding connecting on a deeper level, it can leave you feeling vulnerable and alone. Commit to making choices that are better for your unique essence and purpose.

TALISMAN POWER

Use this card when you want to unmask a certain aspect of your life; if you need to reveal your true feelings or when you need to dig beneath the surface of a situation that has left you unsure of yourself. Imagine carrying the mask for a little while, and then envision yourself removing it. At first, this may be frightening and might make you feel exposed and vulnerable, but you will learn to stay stronger and forthright with practice. Try writing down on a piece of paper something positive that people don't know about you.

I am true to myself.

CONFIDENCE

IN A READING

The queen bee shows up in your reading to remind you of your stamina and the vital role you play in someone else's life. You are completely and utterly unique and your confidence and self-esteem are what make you influential. You have been chosen for your part because you have all that it takes to lead the way. Your

self-confidence grows as you look for your answers through knowledge and experience. The sacrifice of short-term gratification in order to achieve long-term goals yields some of the biggest rewards. Fear of failure or even of your success is counterproductive. You know that to double your accomplishments, you need to double the number of mistakes, so don't be afraid of making a misstep.

TALISMAN POWER

Use this card to charge your self-confidence. Envision the power of the queen bee caring for her own needs and those of the others. See yourself rising up strong and determined.

I am me. I am enough.
